Sunday through Thursday

Evenings at 6:30 PM

FIRST UNITED CHURCH ON MAIN STREET IN LAUREL invites you to our Vacation Bible School Program held each evening, Sunday through Thursday, where we will go awesome Bible adventures where we will discover our strength in God! Children will explore God's Love each day by participating in bible learning they can see, touch, and even taste! There will be unique crafts, team building games, energetic songs, and more to bring the stories of bible heroes to life and reinforce that we are all heroes with God!

This week will be great fun for children from 3 years old through 12 grade. We also offer an Adult class so parents can stay for the evening and experience the same bible stories as the children. This week will conclude with the children leading both Worship Services on Sunday July 30th where they will share the songs and lessons learned. The program is FREE!
